Ganeshkhind, Pune, Maharastra

Subject: Offer for Internship – Technical Research Associate Intern (Assessment & Placement Platform)

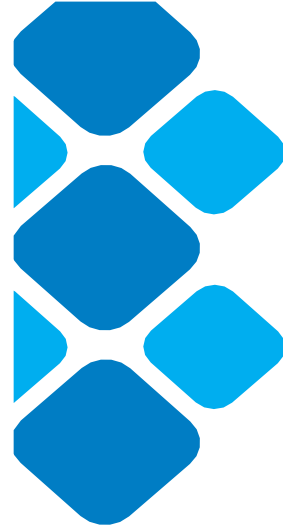

We are pleased to offer you an Internship position as a Research Associate Intern – Assessment & Placement Platform with MentorrBuddy, subject to the terms and conditions outlined below.

Internship Details

- Role: Research Associate Intern – Assessment & Placement Platform
- Mode: Online
- Duration: [4–6 weeks / From 11th May 2026 to 30th June 2026]
- Reporting To: Assigned Industry Mentor / Platform Lead

Internship Objective

The internship is designed to provide structured industry exposure and hands-on learning by engaging you in activities related to technical assessment frameworks, placement readiness tools, skill evaluation, and platform research, in alignment with AICTE Internship Guidelines.

MSME Registration DL08D0020393N

Roles & Responsibilities

During the internship period, you will be expected to:

- Contribute to research and development of assessment content and evaluation frameworks
- Assist in skill mapping and competency alignment for entry-level roles
- Support analysis of assessment insights and placement readiness indicators
- Maintain weekly progress updates / internship logbook
- Submit a final internship report and assigned deliverables

Mentorship & Evaluation

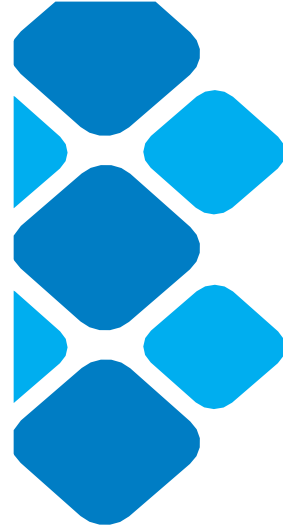

You will be guided by an industry mentor and your performance will be evaluated based on:

- Quality of research and contributions
- Timely completion of assigned tasks
- Documentation and reporting
- Professional conduct and learning engagement

Stipend

A stipend may be offered based on individual performance, contribution, and outcomes achieved during the internship, at the discretion of MentorrBuddy.

Please note that stipend is not guaranteed and will be communicated, if applicable, after periodic or final evaluation.

MSME Registration DL08D0020393N

Certification

Upon successful completion of the internship and submission of all required deliverables, you will be awarded an AICTE-compliant Internship Certificate from MentorrBuddy.

Confidentiality

All information, data, and materials accessed during the internship must be treated as confidential and shall not be disclosed without prior written permission from MentorrBuddy.

If you accept this offer, please confirm your acceptance by replying to this email within one day.

We look forward to your participation and wish you a meaningful learning experience with MentorrBuddy.
